

Community Banking at heart.

Dear Valued Customer,

On May 1, 2020, we announced that Fidelity Savings and Loan Association of Bucks County has officially joined William Penn Bank. Although our data processing systems conversion is still a few months away, we are very pleased to welcome you to the William Penn Bank family.

The combination of our banks will provide you with an even better community banking experience. Our combined entity will give you access to more branch and ATM locations, enhanced lending options, and a broader selection of products and convenient banking services.

For the next few months, your banking relationship with Fidelity Savings will remain the same. Upon completion of our systems conversion in November of 2020, you will have full access to all of the added benefits that this combination will bring.

In joining William Penn Bank, you will be banking with an organization that has proudly served Bucks County communities since 1870. We are a true community bank in every sense of the term, with a longstanding dedication to customer experience and community involvement. William Penn Bank will soon have a branch network of 12 branches – 4 in Lower Bucks County (Bristol, Morrisville, Levittown, and Richboro), 4 in Northeast Philadelphia, and 4 in South Jersey. In addition, the William Penn Bank Community Foundation is our own private charitable foundation focused on programs in our communities that support community and economic development, health care and human services, and education.

You can rest assured you will still be greeted by the same familiar faces that you are accustomed to working with. We at William Penn Bank look forward to serving all of your personal and business banking needs. We are sure you will be pleased to experience our brand of *Community Banking at Heart*.

Sincerely,

Kenneth J. Stephon
President and CEO of William Penn Bank
